Chalice Bridge 2004 Calamus Red 'Ray's best reds'

The West Australian The West Magazine

Rated by: Ray Jordan

July 1, 2006

After tasting 600 wines (and living to tell the tale) Ray Jordan reveals the best of a very good lot.

'On a world scale it shows that at this price bracket Australia is king, offering great quaffable drinking at an affordable price. These are wines that are fruit driven, perhaps with a little oak and in the main, largely medium, with some fullish-bodied styles.'

Lovely **sweet ripe fruit** is the basis of this **well crafted** and **appealing** current drinking wine. The red berry **plummy** and slightly **raspberry** flavours emerge to a long sustained palate. **Excellent drinking.**

Cabernet sauvignon, shiraz and merlot.
