

CHALICE BRIDGE

MARGARET RIVER

This wine typifies the **quality** and distinctiveness of the **Margaret River** style of this variety.

It is **ripe**, **warm** and **delicious**, and the oak handling around the juicy, fleshy and opulent Christmas pudding or fruit cake flavours coat the mouth and leave a mouth feel or texture of **fine persistent tannins**. The finish and aftertaste only complete or add to what is already a **delicious mouthful** of flavour. This is marvellous value.
